3. The subject of the meeting was, generally, discussion toward an ONE estimate on possible Soviet reaction in the event of continued overflight operations. Specifically, Mr. Bundy and the others wanted me to give them a verbal report on my report on Soviet overflights of the U.S. or non-Soviet territories in the period of 1 January 1953 through 10 July 1956. I gave this oral report, answered some queries presented to me and left a copy of this report with Mr. Bundy upon receipt.
